

Quark

Quark is a very strange "animal". Quark have four legs and zero hands.

It looks like Llama but it isn't Llama. Quark live in forests near Moscow.

It can become extinct but people don't want it. Quark have a giant purple hat on small head.

It have two eyes like normal people and it have on it's legs shoes from Adidas.

It have green scales and yellow tail. Quark can't fly but he can swim very fast.

Quark have a big mouth and it eats stick glue. Quark is only one and he is very old.

Quark isn't very aggressive but he is a very friendly but very hungry.
